

A word from us at The Groom Room

The Groom Room, LLC is licensed and insured. The owner, Morgan Jane, is an experienced and passionate groomer herself. She worked solo building the reputation for this small business in her childhood hometown of Estero, Florida. She is also a multimedia artist who incorporates precision and visualization skills into grooming. "I believe art and grooming go hand in hand," she says. The Groom Room seeks to stand out as creative, different, and first-class. We have a large, custom built 7' x 14' trailer, making our salon unique and luxurious. Mobile Dog Grooming

Artwork and design by Morgan Jane

We will not travel to your home for the following basic services. However, if you are purchasing a full groom or deluxe de-shed as a mobile service for one of your dogs, the other(s) may get a basic service at your home.

NAIL TRIM \$15-25 depending on difficulty of dog / temperament of dog.

FACE TRIM \$18-40 depending on whether or not the face is washed and dried. The difficulty level and temperament of dog is considered when pricing.

TEETH BRUSHING \$7

Bandanas and bows are included in all services. All of these are hand-made and hand sewn by The Groom Room.

DE-MATting is an extra charge. It will range from a fee of \$15-40 depending on the size of the dog, the severity of the matting, and the type of hair style desired. If the dog is in pain, aggressive, highly stressed, or a senior dog, the de-matting service may not be possible with us.

A convenience fee will be added for mobile appointments only. \$7 for up to two dogs. \$13 for three or more dogs. This helps ensure the cost of diesel fuel, generator fuel, tolls, and maintenance is covered.
